GRACE BAPTIST MISSION-GHANA

The Quarshies CHRISTMAS 2015 Newsletter

Season's Greetings in the Name of Our Lord and Redeemer Jesus Christ.

We started the year 2015 with the Theme, "Teach us to number our days, that we may apply our Hearts to wisdom" Ps. 90:12.

The Lord used this scripture to encourage and strengthen us though out the year.

School; We had one of the bad news in the ministry when fire destroyed our elementary school building, the store, kitchen and canteen in January this year. We were encouraged by your support and various donations to help with our situation. As the result we lost more than half of our student population. The leaders, church members and Staff decided to relocate the school. This is what we are working on at the moment. We are looking for brethren to come over and help us so we can move into the New Facility in the fall of 2016. If you can help or know of people willing please contact us at bipsgh@gmail.com. We gave scholarships to five children for year 2015—2016, these are bright but needy children. We also have over 400 children in our schools in Northern Ghana, most of the children need assistance.

Church Planting; We are maintaining the 12 church in the North for now due to some challenges we are having with our Radio Station, the Bible conference and the pastoral training in Northern Ghana this year has brought a real revival in the churches for which we give the Lord all the Glory.

We were planning on going up North in November but we had an unexpected home going of two family members, we are therefore, planning to go in the first week of January 2016 to give out school supplies to the children and church supplies to members, pray for the funds to travel.

In 2016 our annual Conference with the Theme: "Discipleship and Growth" will be in Accra, We are expecting Pastor Tim Bantle, his wife and two young men from Grace Baptist Church, N.Y to be with us. We will have a pastoral school followed by the Bible Conference in March 2016. We are all excited about the conference God's willing.

Alive FM Radio: We are having all kinds of challenges at the Station, the black outs are costing us fuel at almost \$4 per gallon. This crisis has affected our Transmitter. We could not use the one we got from Mars Hill because of the power crisis. We are now losing some of our listeners in nearby Villages. Be in prayer with us as we are doing all we can to be on Air until God willing I come over next year.

Events in Bible Baptist Church December 2015; we plan on feeding at least 250 Orphans and street kids on December 19th, other events are coral concert, candle light service and watch night service schedule for December, 12th, 24th and 31st. we will update you on all this God willing early 2016.

At the beginning of the year we shared the need of a baby girl born with eye problems, we helped with the fund for her surgery, in November the parents of baby Blessing brought her for dedication to the Lord. They requested that I add another name to her name and I gave her Anna, the praying Widow. Lk.2:36-37. We also gave some of the eye glasses we got from Mission Central to some pastors and an Eye clinic near us. We also sent the Small Boat donated to us last year to the Radio Station in Yeji waiting for the Volta lake to rise so we can use it.

Shipment: The second shipment arrived in November a donation from Recycle Network to help with the furniture we lost in the school fire. We did not have any problem clearing it for which we give the Lord the Glory.

Thank you so much for your support of the Lord's ministry here, your donations, prayers and encouraging mails are a real joy to us. Please see the attached pictures:

WE WISH YOU A FABULOUS CHRISTMAS AND A NEW YEAR FILLED WITH GOD'S FAVOR

The Quarshies.

Off loading the 2nd Shipment in November

Transporting the donated Boat to Yeji

Baby Blessing now Anna with her father and Mom With Adelaide and ladies from our women fellowship
